

Polycom[®] SoundStation[®] IP 6000 Conference Phone

The Polycom SoundStation IP 6000 conference phone delivers superior performance for midsize conference rooms. It comes with advanced features such as broad interoperability and remarkable voice quality. The SoundStation IP 6000 features Polycom HD Voice technology, which boosts productivity and reduces listener fatigue by turning ordinary conference calls into crystal-clear, interactive conversations that sound as natural as being there.
