

Polycom® V VX® Color Expansion Module

The Polycom® V VX® Color Expansion Module is an optimal solution for telephone attendants – receptionists, administrative assistants, secretaries, and other “power users” who manage multiple simultaneous telephone calls on a daily basis. The Polycom V VX Expansion Module extends the functionality of Polycom V VX business media phones and provides multifunctional line keys that can be set up as line registrations, call appearances, speed dials, direct station select or busy lamp field keys. The V VX Color Expansion Module seamlessly matches the look and feel

Color Expansion Module (Star2Star Special Edition)

- Works with all V VX-series telephones
- 4.3" TFT (480 x 272) LCD screen
- 30 illuminated bi-color programmable line keys
- 3 Page View soft keys provide access to a total of 90 monitored contacts (3 x 30)
- Daisy-chainable - add up to 3 modules to any V VX phone
- Turns any V VX-series telephone into an attendant console
- Modules require no set-up — power and signaling are provided by the host V VX phone
- Adjustable desk stand angle to match host phone (60/50/40°)
